Extra Extra Read All About It

You asked for it, you got it!

Beginning in October, The Missourian will publish a Pacific edition of The Missourian, on Wednesday and on Saturday.

Missourian reporters have been providing news coverage of Pacific for close to two decades. Now the community will have its own branded edition of The Missourian with expanded coverage of city government, The Meramec Valley School District, Pacific High School sports as well feature stories on local residents and businesses that you can't find anywhere else.

In addition to news, Pacific Missourian readers will have access to a newspaper loaded with ads offering special deals from local stores as well as the only local source for national coupons on a wide array of products and services from SmartSource Magazine, the leading coupon provider in America.

Pacific residents can count on the same quality journalism that has made The Missourian the trusted source for news and information in this area and one of the best community newspapers in the state and, indeed, the nation for the last 77 years.

Calling All Members...

The Pacific Area Chamber of Commerce is asking for volunteers from our members to help develop a Strategic Plan for the Chamber.

The Board is looking to develop a 3-5 year Strategic Plan. This plan is to guide us in better serving our members, help develop programs to better our Chamber and Community, and also help us get back to our root Mission Statement.

- Promote the community
- Be a voice for business
- Encourage economic growth of new and existing businesses

This is our foundation! If you have any ideas on what you would like to see the Chamber accomplish over the next several years or feel strongly about a direction we should be heading in, please let us know!

Tiffany's Account: Legacy

Pacific Lumber Company has been a legacy in town for so long that I can almost guarantee you that you've purchased something from them at one time or another. They've been locally owned for more than 50 years and have everything you would expect from such a long standing business in our community. Great service, quality product, and reasonable pricing.

Their services range from selling parts and tools to full kitchen and bathroom layout services. You can pick up or they can deliver. Pacific Lumber Company does not just sell lumber (though they do plenty of that business also), they are a one stop shop for all your needs!

The building at 625 South 4th Street is a do-it-yourselfer's dream full of paint, hardware, flooring, light fixtures, plumbing and electrical supplies. If you're a contractor, Pacific Lumber Company Lumber offers drywall, insulation, shingles, metal roofing, millwork, windows, doors, and so much more!!

From a community stand point Pacific Lumber Company is one of Pacific's biggest supporters. I see their sponsorships on everything from high school sports programs to numerous community events flyers. They are also one of the supported businesses on our Meramec Valley Gift Certificate program! (purchase those today at the Chamber office!)
